plus fort mage fairy tail. svullen mage så fort jag äter. mage's fortress. gravid mage växer fort. stram mage fort. mage fortnite. mage fort dragon skyrim. mage fortune s8. mage fort skyrim. uppsvälld mage så fort jag äter. mage fortnite skin. death mage fourth time. mage fort dragon. slank mage fort. platt mage fort. mage knight fortified. smal mage fort. fort rox mage tower. mage le plus fort de fairy tail. mindre mage fort. uppblåst mage så fort jag äter. flat mage fort. mage fortune

Starts lagging like hell, when there are a bunch of enemies.

Also quite buggy.. Fun, short game that offers a lot of value for its low price. Local coop and full controller support make it a great game to explore with friends.. Sadly, this game gets really laggy for me and my friend, 15 fps is not playable, otherwise this game would be quite fun.
