Unlock" is an app that can unlock any Samsung  
phone. It requires that you know the phone's  
PIN, NFC, or passkey/pattern lockcode. The app  
requires root permissions to install, but has to  
be used only once to unlock. Your phone must  
be unlocked for the app to unlock. It works on  
most Galaxy S devices and some other Galaxy  
devices. samsung unlock view samsung unlock
